Dear Talcott Cousins,

At the 5th National Reunion in Cleveland 2019 Charles Huffer was elected to fill the position of outgoing Director Thomas Talcott, and Dexter Talcott was re-elected, joining continuing Directors Whitney Talcott and Amanda Tallcot. It was announced that the 6th National Reunion will be held in Hartford, CT in 2021.

Unfortunately we were unable to predict the pandemic that has thrown much of our world topsy turvy, including our plans of returning to Hartford in 2021. We now are planning for the summer of 2022 when we can all hope for a safe and festive reunion.

Every year at this time we send out forms for membership. We have endeavored to keep the costs low to encourage you, and your whole family to join. The money raised through membership helps us cover mailing and printing costs, solicitation of new members, any extra revenue is applied to fund the talcottfamily.org website and our National Reunions.

I encourage you to join The Talcott Family Association, Inc. which is incorporated in the State of Connecticut and registered as a non-profit social organization with the IRS. Unfortunately, we are unable to give tax-deductible receipts for contributions. Everyone involved with administering the Association, website, newsletters, mailing, etc. are Talcott family volunteers.

We need and solicit your help. We need help in building and maintaining our mailing list. Even if you don't join, we appreciate your help in sending us addresses (*and emails, if available*) of your children, grandchildren, brothers, sisters, and cousins not presently on our mailing list. Second, we maintain an email address list, and throughout the year we use email to send newsletters, other vital family news, and birthday announcements of those individuals who have reached 90 years of age. We encourage family members to let us know when someone approaches 90 so we can hold a card shower and help celebrate. We appreciate your help in growing our Association. Please send mailing and email address information to Amanda Tallcot, Secretary - 65 Perrine St. - Auburn, NY 13021 (atallcot@gmail.com).

All past *Talcott Family Connection* newsletters are available on the talcottfamily.org website. They tell about the First National Reunion held in Hartford, CT; formation of the Talcott Family Association, Inc.; preservation of Talcott family artifacts; family stories; family history; and much more.

We look forward to you joining, becoming acquainted with other Talcott cousins, and learning about our wonderful Talcott Family heritage.

Sincerely yours,

Whitney A. Talcott
